- **Junk Vehicle Enforcement:** More progress has been made on Main St. Cpl. Gamez still has some cases open.
- **Fire Marshal Training update:** Matt & I have completed everything on our Arson Class except the state test. We will have the Inspector class finished by the first week in January. We might be able to take both the Arson and Inspector state test in January or early February.
- **Civilian Auxiliary Report:** I am working on getting the old mayor's car (a 1997 Ford Crown Vic) set up for the Patrol. I have some applicants I am working on and there are quite a few out that I am still waiting on. I will be focusing on some more recruiting and getting the training program operational.
