## **Lytle Police Dept. – Report to Mayor and Council**

- ↪ **Nine Lytle PD officers will be attending a state mandated training course on crisis intervention. The course will be Mon Feb 20-23, 2005 from 6p-10p at night. I will be covering the evening shift so these officers can attend (I got my training at chief's school).**
- ↪ **I have been in contact with TX DOT and will be working with the Mayor to request some large speed limits signs on various routes into Lytle such as; FM 2790 N.**
- ↪ **I have received four signs that read “speed zones strictly enforced” and two signs that read “speed limits enforced by radar and laser”. We will be placing these on high traffic city streets once I get with Mayor.**
